

Key professional experience

Robert has been working in the construction industry for over 30 years as a consultant. Robert's extensive experience in the construction industry, ranges from residential developments to multi-storey office, hotel and retail developments. He has expertise in health and public assembly building assessment, including work on new hospitals as well as extensive works to The Star, Sydney. In addition, Robert has been appointed expert witness on a wide range of legal building matters.

Robert has participated in government working parties on changes to legislation and regularly lectures at the University of Technology Sydney. He is also a founding and executive board member of the Association of Accredited Certifiers, and in 2012, he was appointed a Director on the Building Professionals Board in New South Wales. Robert co-founded Philip Chun in 1990.
