

# Cath Patterson

**ASSOCIATE  
BUILDING CODE CONSULTANT**

## Key professional experience

Cath has been practicing in the field of building surveying for 15 years and is highly skilled at the technical application of building and related legislation, standards and codes to challenging and complex projects. She has proven ability to self-manage and deliver projects autonomously, and to provide the technical direction necessary to deliver major projects.

Cath takes a proactive approach to project delivery to achieve the best compliance outcome. She has significant experience in complex fire engineering report assessment and liaison with fire engineering team stakeholders including fire authorities.

## Qualifications

- Graduate Diploma in Building Fire Safety and Risk Management, Victoria University, 2014
- Bachelor of Building Surveying (Distinction), Central Queensland University, 2006
- Bachelor of Visual Arts in Interior Design, Queensland College of Art, Griffith University, 1996

## Memberships and registrations

- Accredited Building Certifier – Level 1 Queensland
- Accredited Building Certifier – Royal Institution of Chartered Surveyors (RICS)
- Member Australian Institute of Building Surveyors (AIBS)

## Major projects

- Suncorp National Capital Works Procurement Panel
- National Disability Insurance Agency (NDIA) - \$7 million
- Lady Cilento Children's Hospital, precinct and energy plant - \$1.5 Billion
- Centre for Children's Health Research - \$82 Million
- Mackay Base Hospital Redevelopment - \$322 million
