

**David
Martini**

**ASSOCIATE
ESSENTIAL SERVICES CONSULTANT**

Key professional experience

David has over 20 years experience in the building industry as a Building Surveying and Essential Services consultant. He is involved in the processing of Building Permit applications, essential services consultancy and inspections of buildings. He assists in essential service compliance auditing and ensures the building owner's statutory obligations are met with respect to the ongoing safety, operation and maintenance of building essential safety measures. David has multidisciplinary involvement in various public, commercial, health care, industrial and residential buildings.
